This unit is based on the National Standard for Licensing Persons Performing High Risk Work and is a legal requirement for any person who operates a slewing mobile crane (up to 100 tonnes). This licence entitles the holder to also operate non-slewing and vehicle loading cranes.

Course Delivery

A learner guide and review questions will be provided to the student prior to course commencement. To fulfil the training requirements for this course, the student must read through this, complete the review questions and bring both with them on the day. The course consists of face-to-face theory, mathematical and practical training. Students may require additional mathematical study time during the training to ensure the best possible chance of a successful outcome. Assessment is conducted through a combination of practical demonstration and verbal or

written questioning, including mathematics.

Students may choose to undertake workplace training - After 1 day of formal training, students are issued with a logbook to record their practical workplace training (70 hours) under the supervision of a licensed operator. When the student is ready, a final assessment will be undertaken. Final assessment must be completed within 12 months.

Course Content

- Work planning & conducting routine checks
- Setting up the crane
- Transferring/moving loads
- Load calculation
- Shut down and securing the crane

Course Requirements

Students will need to wear appropriate clothing including a hi-visibility shirt/vest and enclosed shoes or boots, as well as meet all pre-requisites listed.

Course Fees

A deposit of \$1,000 is required within 7 days of enrolment, with the balance to be paid on the second day of classroom attendance. All enrolments are considered tentative until payment of the deposit is received.

Course Outcome

Upon successful completion participants will receive a Nationally Recognised Statement of Attainment in *TLILIC0014 - Licence to operate a slewing mobile crane (up to 100 tonnes)* and an Assessment Summary (AS1) from the accredited assessor to lodge your HRW Licence application.

Important

Upon successful completion of this course, participants have 60 days to submit their application for their HRW Licence online via their QGov account. Licensing fees apply.

Anyone assessed as 'not competent' can be reassessed on the relevant section **within 2 calendar months of initial assessment** (after 2 months a full reassessment will be required). All reassessments must be undertaken within 12 months.

Workplace, Health & Safety QLD HRW Licences are valid for 5 years.

Dickens Assessment and Training Services (DATS) is a privately owned Registered Training Organisation (RTO), providing quality training and assessments for individual students, industry and the vocational education and training (VET) sector. DATS was established in 2007.

We specialise in onsite and site-specific training and assessments and cover Verification of Competency in all courses offered. Our services cover all areas of Queensland and NSW. DATS also has training facilities at Pinkenba (QLD), Willawong (QLD), Coffs Harbour (NSW) and Macquarie Park (Sydney, NSW). DATS has access to plant & equipment to support the training programs.

The successful completion of one of our accredited training courses will provide your staff with a nationally recognised statement that has equal worth in all states and territories (individual licensing authorities set different requirements for their own states/territories).

SHORT COURSES OFFERED

Courses have two distinct phases, a training phase and an assessment phase. DATS has an extensive range of training programs accredited by ASQA.
