Dear Mr. Sexton,

**Re: Outcome of Renewal of Registration Application—Granted**

I refer to your application to renew your registration as a national VET regulator (NVR) registered training organisation (RTO).

In accordance with the provisions of the *National Vocational Education and Training Regulator Act 2011* (NVR Act), your application for registration has been granted. The National Register has been updated to include the following key details of your organisation:

Legal name:	Dickens Assessment and Training Services Pty Ltd
Trading name/s (if relevant):	Dickens Assessment and Training Services
RTO ID number:	31664

**Period of registration**

Your organisation has been granted registration for a period of 7 years which commences 01 June 2019 and is due to expire on 31 May 2026. Your organisation's Certificate of Registration is attached.

You can apply to the Australian Skills Quality Authority (ASQA) to withdraw your organisation's registration, and timeframes and obligations apply to that process. There are also obligations on organisations that effectively cease to operate, even though they remain registered as RTOs. Further information about obligations in these circumstances is available from the [ASQA website](http://www.asqa.gov.au).

**Scope of registration**

The organisation's scope of registration – the vocational education and training (VET) courses that your organisation is registered to provide – is listed on the National Register. Please note that Sections 93-94 of the Act provide for the imposition of monetary penalties on RTOs that provide all or part of a VET course outside scope of registration.

If the training and assessment provided is likely to lead to students applying for a licence/recognition to operate in a relevant industry, you will need to ensure that you meet the requirements of the relevant national or state/territory regulator/s. Organisations that ASQA has formal arrangements with that may have additional requirements to be met beyond registration with ASQA before training and assessment

Yours sincerely

Kathleen Moss
